All batteries have built in BMS which gives you charging and ...

The Amped Outdoors 12v 30Ah Tall LiFePO4 Lithium Battery (Lithium Iron ...

I have an Amped 24v trolling motor battery with Amped 24v charger. I also debated going with 2-12v in series and went with the 24v strictly off recommendation from Amped. I would contact ...

Has there been any update to this battery discussion? I am exactly contemplating the 19 NMC from ampmed to reduce weight from the 30ah LifePO4 with the same screen. I am hoping for ...

I have not heard of the Amped brand but Have a Dokotah Lithium I am pretty happy with. Has not had lots of use, have the 10 amp hour that along with ice fishing, I use as a backup for my ...

I'm looking to replace the battery in a garmin livescope to a lithium, which is a better choice? Amped or Norsk? Is there really a difference?

What is everyone running for a battery for their ice fishing bundle with Live sonar. Thinking of going with a 23ah lithium, probably a Dakota...

there is a \$200 difference between the lithium battery version and the regular battery. I got the regular battery version and got a ampmed outdoors 30ah battery for \$100.

The lithium batteries are great. Just don't leave it hooked up to your Vexilar all summer long. I must have a slow drain on my son's unit and the battery was toast this fall. The battery ...

The Amped Outdoors 12.8V 30Ah LiFePO4 Wide Lithium Battery is the safest, longest-lasting battery technology available, boasting 2000+ charge cycles. It ...

Amped outdoors 30ah lithium battery

Hello, Which is the better battery to run Garmin 126sv, GLS10 and LVS34? Amped LiFePO4 30Ah (12V) or NMC 32Ah (14.8V)? Are the Amped Outdoors published run times for the ...

Any Dakota lithium battery deals out there, bulk group deals ? Just buy amped outdoors. (And this is coming from a guy who ran a Dakota group buy!) I have two amped batteries and one ...
