Unfortunately, that night, I was rushed to the hospital with appendicitis. Whoever opened my locker to get my school books so I could work while recovering at home, found the week-over tuna...

It's only a snapshot and likely to change at any time but they're the only example of the 2nd Gen parks that I saw actively running preshow for their dark rides.

Sadly, Vault blocks can only ever be looted by each player once. They will not reactivate after thirty minutes like Trial Spawners, nor will more of them generate in a pre-existing ruin. This ...
