Is Georgetown a green power partner?

In 2013, Georgetown was recognized as an EPA Green Power Partner of the Year in recognition of our work. Learn more about what we're doing below! Through initiatives like our district heating and cooling plant and ongoing building energy retrofits, Georgetown is taking significant steps to cut our energy demand and use energy more efficiently.

Will the DOE repost the SRM?

The DOE, at its discretion, anticipates reposting the SRM in draft form at a later time for public comment to inform the final version of the SRM. Learn more about DOE's energy storage activities supporting DOE's energy storage mission and vision through the Energy Storage Grand Challenge.

Does the energy storage strategic plan address new policy actions?

This SRM does not address new policy actions, nor does it specify budgets and resources for future activities. This Energy Storage SRM responds to the Energy Storage Strategic Plan periodic update requirement of the Better Energy Storage Technology (BEST) section of the Energy Policy Act of 2020 (42 U.S.C. § 17232 (b) (5)).
