Will Hainan be China's first free trade port?

» China's Hainan Province aims at officially completing its formal customs closure operations on 18 December 2025, making it the nation's first Free Trade Port (FTP).

Does Hainan free trade port require customs formalities?

There is no need to go through customs formalities for goods transshipped to the rest of China at the Hainan Free Trade Port. They shall be loaded and unloaded at the workplaces (sites) under customs supervision in the free trade port, stored separately from other goods under customs supervision, and identified with obvious marks.

How will Hainan free trade port develop a competitive tax system?

26. Phased implementation. Based on different phases of the construction of Hainan Free Trade Port, zero tariffs, low tax rates and a simplified tax system will be arranged and implemented in steps to develop an internationally competitive tax system. (9) Social governance.

Is Hainan a free trade zone?

China already has 22 free trade zones (FTZs), but Hainan represents a fundamentally different level of openness. Most FTZs are limited to specific urban areas and focus on upgrading local industries. Hainan has transformed an entire island into a unified free trade port, with its own customs, tax and regulatory system.

The southern island of Hainan is the next experimental cross-border data hub. Last week, Hainan released two rules paving the way for international data services in its Free Trade Port.

The "Regulations" support domestic and foreign enterprises in building international data centers in Hainan Free Trade Port and operating international data center businesses.
