Who is Lithium Werks?

Lithium Werks provides cells, custom battery packs, and battery management systems into markets such as stationary energy storage, industrial, commercial marine, and transportation. Using patented technology, Lithium Werks focuses on long-term partnerships with our clients to provide powerful, inherently safe and reliable battery systems.

Who makes safe lithium-ion batteries?

Van Raam, a major player in Scalable Production of safe Li-ion Batteries. In the evolving cleantech landscape, customers demand high-performance lithium-ion battery packs that are reliable, flexible, and delivered on time. To meet these expectations, Cleantron

Why should you choose Lithium Werks?

Using patented technology, Lithium Werks focuses on long-term partnerships with our clients to provide powerful, inherently safe and reliable battery systems. Custom battery packs and modules using Best-in-Class components.

What services do you offer for a damaged lithium battery?

Our comprehensive lithium battery maintenance services include Collection of damaged lithium batteries directly from EU-based brand dealers, transportation to our repair center, adhering strictly to pertinent regulations. specialized sorting software. BMS, and checking and balancing the battery cells. determined by the extent of battery damage.

Dutch manufacturer of Lithium-ion batteries for e-mobility and industrial machines. We offer standard and custom made battery solutions.

Samlex Europe, a subsidiary of Samlex America, specializes in the design, production, and distribution of advanced power conversion products. With over three decades of experience, we serve...

Voltacell is your ideal one-stop shop for lithium battery products, ranging from battery components to plug and play battery packs. Voltacell is specialized in providing LiFePO4 and LTO solutions for ...

Netherlands outdoor power lithium battery manufacturer

Located in The Hague in the Netherlands, BNL Supplies B.V. operates through two distinct divisions. Our first division is dedicated to providing lithium battery repair and after-sales services.

BlauHoff is a lithium batteries supplier and developer. We supply LifePo4, also known as LFP, batteries for solar energy storage for home, business and industry, batteries for bicycles and e-scooters and ...

We deliver the highest quality, produced by manufacturers who are only working for the OE market. We are able to supply batteries under Landport label as well as under private label.

We offer customized battery systems and smart, modular standard solutions. Using smart design principles and experienced engineers, we create high-quality battery packs and modules. These ...

Discover all relevant Lithium-polymer Battery Manufacturers in Netherlands, including Batteryline and Super B Lithium Power B.V.
