Rittal's innovative Enclosure systems along with a comprehensive range of Climate Control, Power Distribution, IT Infrastructure and accessories can be found in over 100 stockists throughout the UK.

Its parent company, Rittal, was started in Germany in 1961 and has grown to include offices in more than 70 countries and manufacturing facilities on 4 continents.

Climate control concepts from Rittal cover the full spectrum of applications, from cooling a single rack through to entire data centers. Safety and efficiency are our priorities.

This Rittal Catalogue 32 clearly outlines the way ahead to a promising future: The combination of global success and innovations has opened up new paths, and will continue to do so in future!
