Powered by two standard DeWalt twenty-volt batteries ...

The Solar Panel Lifter system allows easy installation and manipulation of solar panel modules in field via attachment to a variety of mini-excavators. This system reduces worker fatigue and wind gust ...

The Solmetric Module Lift is designed to safely and quickly transport a PV module to a roof. The device uses your existing fiberglass Werner or Louisville extension ladder. A pulley system is attached to ...

This model is designed for light works and for lifting solar panels onto roofs and terraces. Driving group wheels enable a fast and easy placement in any installation.

The TranzVolt is a battery powered, solar panel hoist, which allows for the vertical lift of modules to the rooftop. This is an excellent option for projects located in remote, off grid, or new construction areas ...

Discover electric solar panel lifts with anti-rotation wire rope & 300kg capacity. Ideal for rooftop solar installations, these powered lifts feature durable aluminum/steel construction and come with a 1-5 ...

Specially designed with a custom carrier that functions as a cargo receptacle, GEDA's solar panel lift is a space-saving way to reach inaccessible loading areas.

Powered by two standard DeWalt twenty-volt batteries or Milwaukee eighteen-volt rechargeable batteries, the system provides up to eight hours of continuous use while lifting loads up to two ...

Platform Hoists are perfect for residential and small-scale commercial solar installations. These ladder-style hoists allow you to easily lift solar panels, racking systems, and installation tools directly to the ...

The photovoltaic panel lift offers significant benefits to the user, primarily facilitating the work process. It significantly reduces workers' physical strain and increases installation efficiency while enabling ...

Small photovoltaic panel lifting platform

Discover TAWI's solar panel lifting solutions designed to improve efficiency and safety. Optimise solar panel logistics with ergonomic, single-person lifts for inspection, order picking & container unloading.
