What is a 42U navepoint commercial server cabinet?

The 42U NavePoint Commercial Series network server cabinets have capacity and quality --everything it takes to get the job done right for your high-density applications that rack and store a range of 19-inch equipment like servers, patch panels, PDUs, routers, and more.

Are navepoint cabinets heavy duty?

The Commercial Series cabinets define heavy duty - the 42U model holds a static load of 3000 lbs (stationary). The NavePoint Commercial Series cabinets come pre-assembled for easy setup and include pre-installed heavy-duty locking casters for mobility, and leveling feet for use when the fully racked cabinet needs to stay in place.

Are navepoint cabinets pre-assembled?

The NavePoint Commercial Series cabinets come pre-assembled for easy setup and include pre-installed heavy-duty locking casters for mobility, and leveling feet for use when the fully racked cabinet needs to stay in place. These network enclosures feature adjustable square untethered cage nut opening mounting rails with u-markings.

Each cabinet is supplied with a detailed installation manual. In addition, we can provide an installation video upon request to assist with wall mounting, equipment installation, and cable management.

As well as being built for the toughest tasks, cabinets boast stylish and distinctive aesthetics that stand the test of time: a timeless design, designed to last.
