BigBattery provides lithium-ion battery packs that are perfect for powering any off-grid solar application. Browse our products today to find what you need.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

this innovative solution combines advanced Lithium battery storage technology with a high-performance 500kW Hybrid Inverter. Featuring a modular and expandable design, our system allows you to scale ...

Find exactly what you need in our extensive collection of lithium battery packs for solar containers, and narrow down your options by speaking with one of our experts!

this innovative solution combines advanced Lithium battery storage ...

A containerized energy storage system (often referred to as BESS container or battery storage container) is a modular unit that houses lithium-ion batteries and related energy management ...

Xiho Original Factory Lifepo4 Battery Pack: 1.Long Cycle Life 2.High-Temperature Stability 3.High Safety 4 st-Effectiveness 5.Wide Application

Range of MWh: we offer 20, 30 and 40-foot container sizes to provide an energy capacity range of 1.0 - 2.9 MWh per container to meet all levels of energy storage demands.

XIHO 51.2V 280Ah 15kWh Vertical LifePo4 Battery Pack: High-Density, Stackable Energy Storage for Home Solar Systems & Off-Grid Power. Fire-Proof Design, 10+ Year Lifespan, and 3x Longer ...

We guarantee best pricing for largest energy storage battery system up to 1MWH in a 40ft container or

Vertical solar container lithium battery pack

350KWH per 20ft container. Order at Energetech Solar.

This low voltage lithium battery support smart communication function RS485/ CAN/ Bluetooth and can compatible with most brands of inverters. Built in accurate coulomb counter (LCD ...
